Back in 1970

BUSTER
looked
like this...

Our oldtime Buster cover is from the year 1970... the start of a new decade! What was happening all those years ago? Read on and see.

- There was a marathon Cup Final that year. Chelsea and Leeds United drew 2-2 at Wembley and the match had to be replayed. After 240 minutes of football, "The Pensioners" (Chelsea) finally won 2-1.
- Brazil won the World Cup in Mexico.
- In cricket, England beat Australia to regain the Ashes after fourteen years.
- Space travel had its ups and downs in 1970. America's Apollo 13 ran into trouble out in space, but fortunately returned to Earth safely. In Australia Britain's unmanned rocket, Black Arrow, went up and came straight back down... should have been named Black Boomerang! And Russia's unmanned Luna 16 successfully brought back samples of moon rock.
- In June, Britain had its warmest night for one hundred years, and there was an eight week drought in Barrow.

NEXT WEEK: A PEEP INTO 1971
